

High School Tutoring & NEET Training Project

Category	Education	
Subcategory	High school/higher education tutoring and coaching for NEET professional entrance examination	
Project Name	High School Tutoring/NEET Training Project	
Date(s) of Service	6/30/2024	
Location	India, Tamil Nadu, Coimbatore	
Beneficiaries	Govt. High School Students in Coimbatore	
Number of beneficiaries	60	
Sponsor(s)	Ekam and Protech	
Implementing Partner	Sevabharathi TN	
Description	The program provides tutoring and NEET coaching to 12 enrolled students currently, with classes held daily from 6-7:30 PM (except Sundays). Qualified and experienced teachers focus on NEET preparation, and the program is also available online, allowing students from across Tamil Nadu to enroll. This initiative helps students complete their education, pursue higher studies, and secure jobs, preventing early dropouts, early marriages, and child labor.
